How to participate

[Grants](#) [Tenders](#)

1 Find a suitable call for proposal Need help?

The European Commission and its funding bodies publish calls for proposals on the Funding & Tenders Portal.

- You may start your search from the home page by entering different keywords that characterize best your field of interest, and then refine the results with the help of further filters.
- You may start your search by selecting one of the EU funding programmes listed on the home page, and then navigate via the quick links to the calls for proposals of a specific programme.
- Calls are divided into topics, implemented by different type of actions. Select a topic to read more about the identified opportunity: the topic-related documents, guidance and other instructions are available on a topic page.
- The site offers a search on calls for proposals and tenders of the European institutions.

2 Find project partners (optional) Need help?

Read the topic conditions to assess the partnership and other eligibility requirements of a call.

To publish your **partner search request or offer**, select a topic on the Search Funding and Tenders page. Further help is available in the [IT HOW TO](#).

Use the [Partner search tool](#) in this site to select an organisation based on their profile or their previous participation.

3 Create an EU Login account Need help?

Each user has to have an EU Login account to log in on the Portal. If you already have such an account, you can use it for any interactions supported on this site from proposal submission to reporting.

If you do not have an account yet, you need to create it by clicking on the REGISTER button. Otherwise you get access only to the public services of the site (eg. searching funding opportunities, reading guidance, etc.)

Proposal Part B (2)

1. Relevance

- Background and general objectives
- Specific objectives
- Compliance LIFE and call topic
- Concept and methodology
- Upscaling of other EU projects
- Complementarity with other actions
- Synergies and co-benefits with other LIFE; and other policies

Award criterion 1: Relevance (0-20)

- Relevance of the contribution to one or several of the specific objectives of the LIFE programme and the targeted sub-programme;
- Extent to which the project is in line with the description included in the call for proposals, including, where relevant, its specific priorities;
- Soundness of the overall intervention logic;
- Extent to which the project offers co-benefits and promotes synergies with other policy areas relevant for achieving environment and climate policy objectives.

Proposal Part B (3)

2. Impact

- Ambition of the impacts
- Credibility of the impacts
- Sustainability of results
- Exploitation of results
- Catalytic potential – replication and upscaling

Award criterion 2: Impact (0-20, weighting factor 1.5)

- Ambition and credibility of impacts expected during and/or after the project due to the proposed activities, including potential negative impacts on the other specific objectives of the LIFE programme, including ensuring that no substantial harm is done to those objectives.
- Sustainability of the project results after the end of the project.
- Potential for the project results to be replicated in the same or other sectors or places, or to be up-scaled by public or private actors or through mobilising larger investments or financial resources (catalytic potential).
- Quality of the measures for the exploitation of project results.

Proposal Part B (4)

3. Implementation

- Workplan
- Work packages and activities
 - Objectives and results
 - Activities and tasks
 - Milestones and deliverables
- Stakeholder engagement
- Impact monitoring and reporting
- Communication, dissemination and visibility

Award criterion 3: Quality (0-20)

- Clarity, relevance and feasibility of the work plan;
- Appropriate geographic focus of the activities;
- Quality of the plan to monitor and report impacts;
- Identification and mobilisation of the relevant stakeholders;
- Appropriateness and quality of the proposed measures to communicate and disseminate the project and its results to different target groups.

Proposal Part B (5)

4. Resources

- Consortium set-up
- Project management
- Green management
- Budget
- Risk management

Award criterion 4: Resources (0-20)

- Composition of the project team - of a consortium or of a sole beneficiary - in terms of expertise, skills and responsibilities and appropriateness of the management structure.
- Appropriateness of the budget and resources and their consistency with the proposed work plan.
- Transparency of the budget, i.e. the cost items should be sufficiently described.
- Extent to which the project environmental impact is considered and mitigated, including through the use of green procurement.. The use of recognised methods for the calculation of the project environmental footprint (e.g. PEF or OEF methods or similar ones) or environmental management systems (e.g. EMAS) would be an asset;
- Value-for-money of the proposed project.

Proposal Part B (6)
